

JOHNSON/ EVINRUDE/ OMC CONTROL CABLES - PREMIUM (Seastar Solutions)

Manufacturer: Seastar
Product SKU: 1-CCX20512

Price: ~~\$50.92~~ \$40.74

Short Description

OMC TFXTREME CONT CABLE 12'

Description

Stainless steel and brass fittings. Fits 1979-date BRP/OMC/Johnson/Evinrude w/BRP/OMC controls and OMC Turbo Jets w/OMC side mount controls that accept OMC "snap in" type cable. Xtreme cables feature a splined-core for easy movement and minimum lost motion (4" min. bend radius). Specifically designed for complex and/or long cable runs; but they will allow any control to operate more easily with less drag and wear.

SeaStar Solutions OMC-J/E TFXtreme Control Cable

Stainless steel and brass fittings. Fits 1979-date BRP/OMC/Johnson/Evinrude w/BRP/OMC controls and OMC Turbo Jets w/OMC side mount controls that accept OMC "snap in" type cable.
